@WAMM2025

We are thrilled to announce the upcoming third World Airway Management Meeting (WAMM), set to take place in the picturesque city of **FLORENCE, ITALY** from November 5th to 8th, 2025.

10 years after the inaugural WAMM congress in Dublin and building upon the tremendous success of WAMM 2019, the collaboration between the Difficult Airway Society (DAS), the Society for Airway Management (SAM), and the European Airway Management Society (EAMS) promises to deliver another exceptional congress. WAMM 2025 is poised to offer a diverse programme of lectures, workshops, and social events, creating a truly world-class gathering in Florence, Italy.

The organising committee is dedicated to curating an outstanding programme featuring keynote speakers of international renown, simulation and airway workshops, and engaging break-time sessions with experts across various domains. Over the past decade, the field of airway management has witnessed remarkable advancements, and many leading members of the profession have graciously agreed to share their insights and experiences at WAMM 2025. Furthermore, our industry partners, instrumental in supporting these advancements, are already onboard, contributing to the success of this premier event.

The target audience for WAMM 2025 comprises healthcare professionals from all disciplines involved in airway management, making it a truly multidisciplinary event. We invite you to join us in celebrating the progress made in airway management over the years and to explore the exciting future of innovations and developments in this vital area, integral to our profession.

**WE LOOK FORWARD TO SEEING YOU IN FLORENCE, ITALY  
IN 2025 FOR A REMARKABLE EVENT.**

ON BEHALF OF THE ORGANISING COMMITTEE

**PROF. ANIL PATEL**  
Executive Director

**PROF. ELLEN O'SULLIVAN**
